Dear Mr. Giust,

On behalf of Communities In Schools of San Antonio, and, more importantly, the children and families we serve, I would like to express our sincere appreciation for your contribution to our "Commitment to Community Through Education" luncheon. It was a truly heartwarming and successful event, highlighting the CIS-SA program and our President, Bill Millikin, as well as recognizing the community partners who have contributed so much to our achievements over the past years. Your sponsorship was greatly appreciated. All of our children benefit from your generosity.

As San Antonio's leading "stay in school" program for youth, CIS-SA is committed to linking community resources for education. Communities In Schools' caring professionals, in 46 schools throughout eight school districts in Bexar County, deliver innovative, comprehensive services which help young people successfully learn, stay in school and prepare for life. CIS programs, including parental involvement, tutoring, mentoring, counseling, and academic enrichment activities, provide reinforcement to families while enhancing a child's educational foundation. Through contributions such as yours, Communities In Schools can make a difference in the lives of children facing obstacles to personal and academic success.

Again, thank you very much for your support which enables Communities In Schools of San Antonio to continue helping kids prepare for life. We look forward to a continuing partnership in the future. Your dedication to our children is very important to our entire agency.

Sincerely yours,

Dear Amparo,

What a pleasure to finally meet you. Thank you so much for taking the time to meet with me and Karla Fernandez Parker and Gabrielle Seidner from *A Big Chihuahua* on Tuesday to discuss the public service announcements on animal cruelty. We're delighted that your station will be running these announcements and that we'll have an opportunity to talk about the problem of neglect and cruelty here in San Antonio on your show next month. As requested, I will send you some bullet points before the show, most likely the week of May 26th.

Thank you, and your station, for helping us find homes for shelter pets and delivering important messages on the welfare and care of domestic animals to the community.

Sincerely,

Dear Steve:

On behalf of BudCo, Ltd., Anheuser-Busch, Inc. and 99.5 KISS, I wish to thank you for contributing to the 2003 KISS Dog Leg Golf Classic benefiting the Hispanic Scholarship Fund (HSF). With your support, we raised over \$38,000 that will be matched by the HSF national office. This means that \$76,000 will be awarded to San Antonio scholars for the year 2004.

We couldn't have done it without you! I hope you enjoyed the tournament and I ask that as you plan your budget for next year, you consider supporting the HSF. For next year's event, we are considering moving the tournament date to a Friday instead of a Saturday to better accommodate players' schedules.

Again, thank you for your contribution and I hope you will join us again next year.

IT WAS A SUCCESS!

Dear Sir or Madam:

On behalf of the Refugee Resettlement Program of Catholic Charities, Archdiocese of San Antonio, we would like to thank you for your donation of \$100.00 for two tickets to attend the *International Night* Gala. We received such positive feedback from the attendees – **Thank You**, because it was each and every one of you who contributed in making the event successful.

To date we are still collecting revenues from the event, but it is safe to say we have net over \$12,000.00. Because of the support of donors like you, every penny raised on May 18, 2003 will go directly into the Refugee Resettlement Program to benefit the services provided to persons who are victims of war, upheaval, and/or have faced persecution for religious and ethnic discrimination.

The *International Night* Gala was a fabulous gathering, but now that the event is over, the Refugee Resettlement Program must continue its mission of providing compassionate care to refugees and others in need. Your support has helped us to carry on our mission.

Please contact us at (210) 433-3256 if you have any questions, comments or suggestions on how we can make *International Night* even better next year. Your input is just as valuable as your support. Thank you again, and we hope to count on your support again next year.

Mr. Steve Guist

Dear Mr. Guist:

Thank you for participating in this year's Hispanic Scholarship Fund – 99.5 KISS Radio Dog Leg Golf Classic held on May 10, 2003. We are deeply appreciative of your generous contribution of \$1,500. *(The fair market value of the goods and services provided in return for your contribution is \$420)*

The money raised through the event will go towards scholarships for deserving Hispanic students from Texas help fulfill their dreams of a college education. We believe the college scholarships that this significant funding makes possible will help to create future Latino leaders for the state of Texas and will thereby enrich our community for years to come.

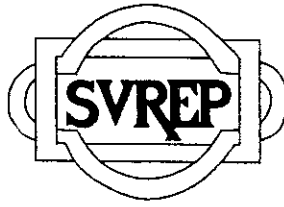

This is an exciting time for HSF as we grow our programs, expand our outreach and are able to impact the lives of more and more deserving students. In our 28-year history, HSF has awarded over 61,000 scholarships totaling more than \$115 million, including awards made through the HSF Institute that was launched in 2001. We are proud of the fact that our programs are proving successful with 97% of all HSF Scholars receiving their four-year degrees. However, the need continues to outpace our resources, and ongoing support is crucial to helping us achieve our mission to double the rate of Hispanics earning a college degree to 18% by 2010.

Thank you for your wonderful support of the Hispanic Scholarship Fund and our goal to strengthen America by advancing Hispanic higher education. With your continued support, we can insure that America's most talented young people achieve their educational dreams.

Univision

Dear Mr. Guist:

On behalf of Southwest Voter Registration Education Project (SVREP) in San Antonio I wanted to sincerely thank you and your station for the invaluable support you have recently provided us in carrying out our mission.

Our mission to register voters, get-out-the-vote, increasing voter awareness about elections and promoting our overall message has been tremendously helped by the PSA currently playing in which Univision and SVREP encourage San Antonians to vote on the upcoming May 3 elections and by the state-wide broadcast of an interview in your "*Es Tu Capitolio*" program this past Saturday.

This has been possible by the infinite graciousness with which your Director of Promotions and Community Affairs, Amparo Ortiz, has always treated us. SVREP has been featured in two of her "*Desde San Antonio*" and one "*Desde Austin*" programs, greatly increasing our organization's outreach efforts.

Ms. Ortiz also was very instrumental in making the PSA a reality and it was her recommendation that I appear in the "*Es Tu Capitolio*" program. Furthermore, she has made a conference room on your premises available to us to conduct our Host Committee meetings for our annual fundraising dinner to take place this coming June 20th. Such support from Ms. Ortiz is indeed invaluable.

Other personnel have been key in understanding and helping us to promote our mission much better. Production Manager Roland Davila produced that magnificent PSA as well as the taping of the "*Es Tu Capitolio*" program. His professionalism was evident at all times. Likewise, Anchor-Reporter Antonio Guillen's understanding for the need of a more participatory electorate

is a plus for us. Lastly, News Director Marta Solis always responds to our requests for coverage or assistance, as was the case during a session on the importance of the local media taught at our Latino Academy last year by News Producer Rodrigo Perez, when Andres Ricardo Morin served as our Master of Ceremonies during last year's fundraising dinner or simply responding to our press releases.

Such tremendous support from your station is invaluable to us. I commend your efforts to provide not only excellent community service as a corporate role model in San Antonio, but also for fomenting the wisdom, professionalism and dedication the wonderful people above have shown to us. I thank you again and look forward to our continued partnership. I remain

Sincerely Yours,

Message : Folks at KLRN, I would like to say that I've been very impressed with the programming I've seen. I especially like the "Enfoque Musical" series. I like the "Austin City Limits" look and feel of it. Me and my family gather every Saturday to watch Enfoque. I was wondering if the episode with the Garcia Bros would air again anytime since I missed that viewing. It's a great series and hats off to KLRN for carrying it, I heard about for some time and wondered when it would air in this market. Ever since they stopped playing tejano videos on one of the network stations, I wondered if we would ever see any form of tejano on television ever again. Thank you KLRN. Someone once said that tejano has to be experienced live, and Enfoque is as close as you can get before actually going out. Once again thank you, and I hope this series is on for a good while. Now how about covering the tejano music awards, either taped or live? Just a suggestion...

Dear Joanne Wink
and KLRN!

I just want to tell you that I think
this month has been the Best ever. I only
can afford Basic Cable - but rarely have
another station on but KLRN.

History Detectives is the greatest new show.
so is Mrs. Bradley mysteries. I have always
loved "As Time Goes By" and stay up late to
see it. This old House and all the cooking
shows are great on Saturdays. The Six Wives
of Henry VIII are excellent, well done show.
I am glad to see the "Evening at Pops" last
night the "Nazi Prison Escape" and "Bombing
Nazi Dams" was very interesting - even though
I was there when these happened, a child in
Nazi Germany with my own tale to tell.
One show I have always loved is "Victory
Garden". I don't like the new format, and

the new people in it. Did the old ones
retire? I imagine so.

Anyway I love KHRV Programming,
you have given me countless hours
of of delight with "Great Performances"
all the British shows and of
course "Andre' Rieu" too, who is
really big in Europe. I just spent
May & June in Germany and all
I would need for total happiness - some
German programs.

I am a widow of a serviceman and
on a fixed income - but this time
I will scrape some \$ together and
send you double my usual donation.

Thanks for the good times
Love Susewey

Dear Ms. Rivas,

I would like to extend my sincerest appreciation for the time and effort put forth by Mr. John Olguin, News Producer and Ms. Maricela Arce in Promotions to host a tour for members of our Escuelitas Project on Saturday, November 22, 2003. The Escuelitas Project is an early intervention educational program that targets young Latinas in the third through eighth grades. A team of program specialists and mentors implements the innovative instructional program that provides the participant girls with the foundation to develop personal growth, leadership, and academic capabilities. Our effort is to enable young Latinas to strengthen their abilities to construct greater choices and options for themselves. Through the graciousness of Mr. Olguin and Ms. Arce, we were able to show the girls the opportunities that are available to them in the areas of communication arts. Thank you for fostering an environment in which your staff may have a positive influence on the youth of this community.

Most Sincerely,

Stephanie Ramos, LMSW

Subject: IKE Career Day ... Great Job!!!

Dear Volunteers,

I just want to let you know that you did a great job today. I have received a lot of positive feedback from the students and the staff. The teachers thought that the presentations were very well done. The use of various kinds of media helped very much to keep the students' attention. The students loved the hand-outs. I have had some teachers who have been with Eisenhower for a long time tell me that this is the best Career Day that they have seen. Most importantly, all of you did this with such enthusiasm.

I want to thank each and every one of you for your effort and time. None of this would be possible without you.
